Josh Scott

Upland, CA   joshuabscott@gmail.com   (323) 334-0417

PROFESSIONAL OBJECTIVE:

Seeking a position as a Web Developer / Designer where my experience in software support & development may be utilized. Proven ability to plan and complete multiple tasks with strict deadlines and budgets. Experience communicating with users, team members and senior management throughout the project life cycle. As a highly adaptable and dedicated professional I embrace teamwork, but excel working independently with a strong attention to detail.
